

# Elance per voi Offerte di Lavoro

di Paolo Franzese

The screenshot shows the Elance website interface. At the top, there are navigation links for 'GET SERVICES' and 'PROVIDE SERVICES', along with a 'Sign in or Register' link. Below this is a main navigation bar with tabs for 'HIRE', 'MANAGE', 'PAY', 'EXPLORE', and 'INBOX'. Under 'HIRE', there are sub-links for 'Search', 'Post Job', 'Browse', 'My Jobs', 'My Providers', and 'My Profile'. A secondary navigation bar includes a 'Looking for work?' link. The main content area features a large banner with the headline 'Hire, manage and pay experts to do your work.' and a 'Find Experts (108,832)' section. This section includes a search input field, a dropdown menu for 'All Categories', and a 'Search' button. Below the search field, there are popular search terms: 'PHP, Graphic Design, MySQL, SEO, Writing, WordPress, Flash, Research, Web Design, iPhone'. To the right of the search area is a 'Get Started Post Your Job' button. Below the banner, there is a section for 'Web & Programming' with various sub-categories like 'Design & Multimedia', 'Writing & Translation', 'Admin Support', 'Sales & Marketing', 'Finance & Legal', and 'Engineering & IT'. The 'Web & Programming' section is expanded, showing a list of professionals (e.g., 'Neuron Consultants Pvt. Ltd.', 'peachyjayfull', 'ARTIS Technologies Pvt. Ltd. (P...') and a list of skills for hire (e.g., 'SQL (1144)', 'PHP (1042)', 'HTML (1000)', 'C (1076)', 'Java (1071)', 'MySQL (1065)', 'CSS (1060)', 'ASP (1056)', 'JavaScript (1051)', 'Ruby (1047)', 'HTML (1000)', 'Linux (1076)', 'Account (1076)', 'Software Testing (1061)', 'WordPress (1061)', 'Web Services (1060)', 'Mobile (1057)', 'JSP (1056)', 'J2EE (1056)', 'Microsoft Office Access (1051)'). On the right side, there is a 'Today on Elance' summary box with the following statistics: '28,606 New Jobs Posted (Last 24 hours)', '100,832 Experts (Providers active on Elance)', and '\$229,789,563 Provider Earnings (For services rendered)'. There is also a 'How Elance Works' link at the bottom of the summary box.

Sul mio gruppo per [Web Designers](#) ho trovato questa bellissima risorsa: [www.elance.com](http://www.elance.com)

Questo il suo slogan: **Hire experts, Manage the work e Pay for results.**

Ma cos'è? è un sito nuovo e molto pratico che promuove l'incontro tra **domanda e offerta** di lavoro, in generale ma predisposto per **informatica e tecnologia**.

Elance gestisce tutto fino al pagamento in modo semplice.

Alcuni dati:

**28606 lavori postati**

**100832 Esperti**

**\$ 222789772 movimentati**

Vi registrate e poi andate in due sezioni: [Get Services](#), per offrire lavoro, o [Provide Services](#), per cercarlo.

Alcune riflessioni fatte da me, quale è la tendenza di internet? Quali lavori cercano?

Ecco i risultati:

**Web & Programming → PHP e MySql**

**Design & Multimedia → Graphic Design e Photoshop**

**Writing & Translation → English e Article Writing**

**Admin. Support → Admin assistant e Office Admin**

**Sales & Marketing → Sales e Marketing Strategy**

**Finance & Mgt. → Management e Accounting**

**Legal → Contracts e Legal Research**

**Engineering & Mfg. → Manufacturing Design e Industrial Engineer**

Ora non resta che postare i vostri commenti!
