

# Google news!

di Paolo Franzese

## Google+ & Rel=Author:

Un altro argomento trattato nella ricerca fatta da HubSpot, è stato quello dell'attributo Google+ e Rel=Author, infatti, se facciamo attenzione quando facciamo una ricerca con Google, è possibile vedere direttamente chi è l'autore dell'articolo e i seguaci di Google+. L'attributo Rel Author è stato introdotto per dare una maggiore credibilità e visibilità agli autori rispetto a quelli anonimi, infatti, il Rel=Author offre un buon contributo per aumentare i click.

The screenshot shows a Google search interface. The search bar contains the text "paid paid vacation". Below the search bar, it indicates "About 174,000,000 results (0.17 seconds)". On the left side, there are navigation tabs for "Web", "Images", "Maps", "Videos", "News", "Shopping", and "More". The "Web" tab is selected, showing two search results. The first result is titled "Paid Vacation? - FullContact" with a URL "www.fullcontact.com/2012/07/10/paid-paid-vacation/". It features a profile picture of Bart Lorang and text indicating he is in 69 Google+ circles and that the article is from July 10, 2012. The second result is titled "Paid Vacation Days Policy" with a URL "humanresources.about.com/od/glossary/.../paid\_vacation.h...". It features a profile picture of Susan Heathfield and text indicating she is in 1,109 Google+ circles. Both results include a small profile picture and text about the author's Google+ presence.

## La pubblicità di Google diventa ancora più aggressiva:

Visto che i click sugli annunci Adwords continuano a calare in modo vertiginoso, Google potrebbe non solo aumentare il numero di pubblicità, ma addirittura renderla più invadente, ad esempio introducendo la possibilità di inserire l'indirizzo e-mail all'interno del risultato della ricerca, per ricevere maggiori informazioni dal sito.

The screenshot shows a Google search interface. At the top left is the Google logo. To its right is a search bar containing the text "free firewall software". Below the search bar, the word "Search" is displayed in red, followed by the text "About 23,200,000 results (0.19 seconds)". On the left side, there is a vertical menu with options: Web, Images, Maps, Videos, News, Shopping, Applications, and More. Below this menu, the location "Breckenridge, CO" is shown, along with a "Change location" link. The main content area displays "Ads related to free firewall software" with a "Why these ads?" link. Three ads are visible: 1) McAfee® Free Trial | McAfee.com with URL www.mcafee.com/FreeTrial and text "Try Out Our Amazing New 2012 Software With a Free Trial Today! Free Tech Help- Call 1-866-622-3911 - McAfee Family Protection \$49.99"; 2) ZoneAlarm Free Firewall | ZoneAlarm.com with URL www.zonealarm.com/ and text "Get The World's #1 Free Firewall - Because Anti-Virus is Not Enough!"; 3) Application Firewall - Protect Applications At The Source. with URL www.oracle.com/database/security and text "Your Database. Free Resource Kit". A fourth ad for "Firewall, Personal Firewall Software, Free Internet Fire wall PC ..." with URL personalfirewall.comodo.com/ is partially visible at the bottom.
